Ohio Reciprocity Agreement

As the result of a special agreement, students from Ohio who are fully admitted to certain majors can enroll at WVU and pay in-state tuition rates. Students must be admitted to both the University and the particular major. These programs include:

**College of Creative Arts**
- Art History (BA)
- Ceramics
- Graphic Design
- Intermedia/Photography
- Painting
- Printmaking
- Sculpture
- Studio Art with Education Emphasis
- Theatre (BA/BFA)

**College of Physical Activity and Sport Sciences**
- Athletic Coaching Education (B.S.P.Ed.)
- Sport and Exercise Psychology (B.S.P.Ed.)

**Benjamin M. Statler College of Engineering and Mineral Resources**
- Mining Engineering (B.S.Min.E.)*
- Petroleum and Natural Gas Engineering (B.S.PNGE.)*
  - In-state tuition only applicable for the junior and senior years.

  Students will be eligible for the tuition reduction once they move into their specific engineering discipline, which typically happens after the first year, once a student has completed the following classes and has a 2.25 GPA: Engineering 101, Engineering 102, Engineering 199, Math 155, Chemistry 115, and English 101. In addition, acceptance into the Statler College's B.S. degree in Petroleum and Natural Gas Engineering is highly competitive. Enrollment into the program will be based on the applicant’s college-level GPA.

**Davis College of Agriculture, Natural Resources and Design**
- Agribusiness Management & Rural Development (BS/BS Agr)
- Agricultural & Extension Education (BS Agr)
- Agronomy (BS/BS Agr)
- Animal & Nutritional Sciences (BS/BS Agr)
- Biochemistry (BS)
- Design Studies (BS) - *effective fall 2012*
- Environmental & Natural Resource Economics (BS/BS Agr)
- Environmental Protection (BS/BS Agr)
- Forest Resource Management (BS Forestry)
- Horticulture (BS/BS Agr)
- Human Nutrition & Food (BS)
- Recreation, Parks, & Tourism Resources (BS Recreation)
- Wildlife & Fisheries Resources (BS)
- Wood Science & Technology (BS)
Eberly College of Arts and Sciences
Biochemistry (BA)
Chemistry (BA/BS)
Mathematics (BA/BS)
Physics (BA/BS)
